EXHIBITOR OPPORTUNITY

CARBONFARMINGCONFERENCE.COM.AU

Gain top Level Exposure for your Firm

ENQUIRIES:

Jan Grady 0429 821 425

jan@carbonfarmersofaustralia.com.au

PRIZES AND ACTIVITIES

Prizes worth thousands of dollars will be donated by our Exhibitors and advertised and drawn throughout the National Carbon Farming Conference & Expo. Entertainment, demonstrations and the interactive Field Day and workshops will create a vibrant buzz for delegates and exhibitors.

WEBSITE AND CARBON FARMING CENTRAL HUB

Our website will prove a valuable tool to promote the National Carbon Farming Conference & Expo ... with easy access to up to date information, including the contact details of all exhibitors, competitions, available workshops and an overview of the Conference Program, demonstrations and our Speakers.

For several months prior to the Conference, Exhibitors will have an unprecedented opportunity to showcase their offering in the 'Carbon Farming Central' online hub. For the first time, providers of Carbon Farming goods and services and related industries will have exposure in one place — where Farmers and other stakeholders can view what is being offered by Conference Supporters and Exhibitors.

We encourage you to offer special prices for bookings confirmed on the day, and to give away promotional items or organise demonstrations at your stand.

ENSURING TOP LEVEL EXPOSURE FOR YOUR FIRM

If you would like to know what opportunities are available to gain even more promotional exposure as an Exhibitor or Sponsor, please contact Jan to discuss and negotiate on 0429 821 425.

For help in maximizing the results of your Expo presence, our speciality staff will help you with every aspect of the event. We want to help you:

- **Introduce your business to the Market**
- **Launch new products or services**
- **Generate new leads**
- **Network and collaborate with others**
- **Accept new orders, and we encourage you to choose your site now... to engage not just any market... but your target market!**

Thousands of dollars in business are written each year at the Expo. We expect the remaining sites at National Carbon Farming Conference & Expo to sell fast!

Call us as soon as possible to confirm your registration as an exhibitor and reserve your chosen position.
